## WORK EXPERIENCE

### Campus Ambassador

Coding Blocks

05/2020 – Present

Jaipur, India

Coding Blocks was founded in 2014 with a mission to create skilled Software Engineers for our country and the world. They are here to bridge the gap between the quality of skills demanded by industry and the quality of skills imparted by conventional institutes. At Coding Blocks, we strive to increase student interest by providing hands on practical training on every concept taught in the classroom.
